12 March 1956

TO : Project Administrative Officer
Project Security Officer
Project Weather Officer

SUBJECT: Request for Access Authorization To Weather Central
Signal Center

1. It is requested that the following individuals be documented and authorized access to the Signal Center established at the Weather Central to insure secure and continuous operation of that installation:

25X1

Project Communications Officer
Project Deputy Communications Officer
Project Communications Security Officer
Project Signal Center Chief
Project Cryptographer

25X1

2. The requirement for this documentation and authorization became extremely evident recently when [redacted], the only cryptographer presently assigned to the Weather Central Signal Center, departed Washington on emergency leave leaving the Signal Center uncovered.

25X1

[redacted]
Project Communications Officer
